Office of the Chief Information Officer

Issue Date: March 1, 2025

PROJECT TITLE: Enterprise Cloud Security Operations Platform

1. INTRODUCTION

The Department of Homeland Security (DHS), Office of the Chief Information Officer (OCIO), is soliciting proposals from qualified vendors to design, implement, and operate an Enterprise Cloud Security Operations Platform (ECSOP). The platform must provide continuous monitoring, threat detection, and incident response capabilities across DHS cloud environments (AWS GovCloud, Azure Government, and on-premises hybrid infrastructure).

2. SCOPE OF WORK

The contractor shall:

- Design and deploy a Security Information and Event Management (SIEM) system capable of ingesting 500,000+ events per second
- Implement a Security Orchestration, Automation, and Response (SOAR) platform
- Provide 24x7x365 Security Operations Center (SOC) staffing with cleared personnel
- Develop and maintain 200+ detection rules aligned to MITRE ATT&CK framework
- Deliver monthly threat intelligence reports and quarterly security posture assessments
- Integrate with existing DHS identity management and ticketing systems
- Conduct quarterly red team exercises and penetration testing

3. MANDATORY REQUIREMENTS

- Contractor must hold a current FedRAMP High authorization or equivalent
- All personnel must hold active Secret clearance (TS/SCI required for senior roles)
- Platform must achieve 99.99% uptime SLA
- All data must remain within FedRAMP-authorized U.S.-based data centers
- Contractor must comply with NIST SP 800-53 Rev 5 and DHS 4300A
- Zero-trust architecture implementation required

4. PREFERRED QUALIFICATIONS

- Prior DHS or IC agency contract experience
- CMMC Level 2 or higher certification
- Existing integrations with Splunk, Microsoft Sentinel, or Palo Alto Cortex XSOAR
- ISO 27001 and SOC 2 Type II certifications

5. EVALUATION CRITERIA

Proposals will be evaluated on the following factors (listed in order of importance):

1. Technical Approach and Security Architecture - 35%
2. Management Approach and Staffing Plan - 25%
3. Price / Total Cost of Ownership (5-year) - 25%
4. Past Performance (minimum 3 relevant references) - 15%

6. CONTRACT DETAILS

Contract Type: Firm Fixed Price (FFP) with award fee provisions

Estimated Value: \$47,500,000 (over base + option periods)

Base Period: 12 months from Notice to Proceed

Option Periods: Four (4) one-year options

Place of Performance: Washington, D.C. Metro area; remote work permitted up to 40%

7. SET-ASIDE

This acquisition is set aside 100% for Small Business concerns under NAICS code 541519 (Other Computer Related Services), size standard \$34M.
